

# Send-off Membership Form

As you make the transition from student life to work life, we hope that you'll make membership in the Secular Student Alliance a part of what you do to bring about a more secular and humane society. The Secular Student Alliance only succeeds because of funding provided by non-students. Lots of non-students gave to the Secular Student Alliance so it could be there while you were a student. Now it's your chance to pay it forward.

MOBILIZING STUDENTS FOR A NEW ENLIGHTENMENT  
 WWW.SECULARSTUDENTS.ORG

Basic Secular Student Alliance “send-off” membership is \$15 for one year. This entitles you to a year of our full non-student membership (a \$35 value) which means you can vote in board elections and even run for the board. Most important of all, it means you’ll be helping to build a more rational and civilized future.

The Secular Student Alliance has made arrangements with some of our partner organizations to give you the opportunity for a discounted year of membership. All you have to do is check the boxes for the organizations you’d like to join, and include the extra amount. SSA will handle the paperwork and you’ll be a full-fledged member of those organizations as well.
